February 24, 2022 from 6:00-7:15 PM over Zoom
March 24, 2022 from 6:00-7:15 PM over Zoom

CASA (Court Appointed Special Advocates) is a national, volunteer-based, nonprofit organization that trains and supervises community volunteers, CASAs, to represent the best interests of child victims of abuse and neglect that are currently in the judicial system.

CASA Volunteers are ordinary citizens, like you, doing extraordinary work. They establish stable relationships with children who have experienced abuse or neglect, getting to know their unique history and making informed recommendations to the courts.

At a virtual CASA 101, you will hear from members of the CASA of Adams & Broomfield Counties Team about the important work our Advocates are doing in the community. You will learn about the CASA Volunteer role, application and training process, time commitment, and next steps on how you can get involved.
