

CASA of Adams and Broomfield Counties

Advocate Training Dates 2022-2023

CASA Volunteers must complete 30 hours of pre-service training, which is a combination of live instruction and independent homework. We are currently offering both in-person and virtual training classes throughout the year.

Prior to attending training, prospective volunteers must submit an online application and participate in an interview.

For more information about training or becoming a CASA Volunteer, contact Paige Otto at Paige@CASA17th.com or 970-818-6644
