

How to find police reports online....

First go to usacops.com on the internet. Click down until you get Adams County. This will give you all the police departments that serve Adams County. Then click on the one you want to get phone numbers, fax numbers, addresses, names, etc.

Once you have the FAX number for the one you want, FAX that particular police department with CASA letterhead and request **any and all** reports on person's name and date of birth, and ask them to FAX the reply. When they see the CASA letterhead, and see that the CASA address is in the Court House, they usually should send a reply right away.
