

Light of Hope

BE A BEACON OF CHANGE

Presented by
the human energy company
Chevron

STEP INTO THE SPOTLIGHT

Become a Light of Hope Table Captain!

We're calling on you to be a guiding light for CASA's upcoming Light of Hope Luncheon. As a Table Captain, you won't just attend – you'll be the heartbeat of this incredible event, sharing the love and impact of CASA in our community.

THANK YOU!

Your commitment helps harvest resilience for families who have faced unimaginable challenges. You're not just a Table Captain; you're a Light of Hope in the darkness. Ready to be the change? RSVP as a Table Captain now!
Contact Molly Kerns at molly@casa17th.com to get started.

1 Attend Light of Hope on April 11

Arrive at 11:15 am to welcome your guests. Your presence will set the tone for an unforgettable luncheon.

2 Fill Your Table with 7 Kindred Spirits

Rally your troops! Invite friends, family, neighbors, and coworkers to experience the CASA mission. Confirm at least 7 guests – let's make your table THE place to be!

Pro Tip: Once you fill your table, you will receive a personal invitation to a VIP meet and greet with our Keynote Speaker.

3 Unleash the Power of Generosity

Light of Hope is an opportunity to share the important work that CASA Volunteers do in our community advocating for at-risk children and youth. Those new to CASA can learn how to share their time (as a CASA Volunteer), treasure (as a donor), or talent (by providing services) with the organization.
