HOPE BLOOMS

STEP INTO THE SPOTLIGHT

Become a Light of Hope Table Captain!

We're calling on you to be a guiding light for CASA's upcoming Light of Hope Luncheon. As a Table Captain, you won't just attend – you'll be the heartbeat of this incredible event, sharing the love and impact of CASA in our community.

1 Attend Light of Hope on May 1
Arrive at 11:15 am to welcome your guests. Your presence will set the tone for an unforgettable luncheon.

2 Fill Your Table with 7 Kindred Spirits
Rally your troops! Invite friends, family, neighbors, and coworkers to experience the CASA mission. Confirm at least 7 guests – let's make your table THE place to be!

3 Unleash the Power of Generosity
Light of Hope is an opportunity to share the important work that CASA Volunteers do in our community advocating for at-risk children and youth. Those new to CASA can learn how to share their time (as a volunteer), treasure (as a donor), or talent (by providing services) with the organization.

THANK YOU!

Your commitment helps build brighter futures for families who have faced unimaginable challenges. You're not just a Table Captain; you're a Light of Hope in the darkness. Ready to be the change? RSVP as a Table Captain now!
